

MINDEN CURLING CLUB 2023-2024 MEMBERSHIP

Membership fees are what keep the doors open, lights on, ice in the arena and heat in the rest of the building. In an effort to keep the club affordable to all we have kept the increase to a minimum. If you are able, we ask that you add a donation toward the club operating expenses, along with your dues. Please also consider joining your Club as an unlimited member regardless of the number of club leagues that you curl in.

UNLIMITED MEMBERSHIP:

This provides unlimited curling in all club leagues, and unlimited sparing, regardless of the number of leagues you sign up for. The only additional costs would be for bonspiels, social events with a small fee to cover live music and/or food, and rental leagues such as the Boshkung Social.

SOCIAL MEMBERSHIP, CURLING:

This provides access to the club for curling members who for some reason are unable to commit to a weekly league. These members are welcome to practice on Sunday, play in bonspiels and tag-curling social events, and spare in leagues at the rate of \$15/game to be paid at the bar at the time of play.

- \$100 for a half year, plus \$15/game at the time of play, HST included.

SOCIAL MEMBERSHIP, NON-CURLING:

This provides access to the club for non-curling family and friends. These members are welcome to join in all the fun of social events through the year, and to try out curling at Sunday practice. Come on out and cheer on the league curlers while enjoying a beverage in the lounge!

- \$50 for the full year, no half season rates. This fee also includes the summer games at the club as well! HST included.

TOTALLY NEW TO CURLING?

A one-time special offer to try out curling through our FREE 4-week Learn-to-Curl program. Following that, you can join as a social member for access to more practice time. When ready for league play, join your first half season for play in one league at:

- \$99 special for the half season. HST included.
- Continued play for the next season is at the regular rate.

YOUTH CURLING:

The Minden Youth Curling program begins the first Thursday in November, follows the school calendar, and ends on the Thursday prior to March break. A healthy snack and some social time precede warm-up exercises and on ice instruction until 5:30 pm. In fall the focus is on skills training, and game play is introduced in the winter, ending with two bonspiels with Haliburton.

- \$55 for the program
- \$70 for the program including snacks

RENTAL LEAGUES:

The **BOSHKUNG SOCIAL** is a non-competitive fun social league with the emphasis on FUN and SOCIAL! Your fee includes a SOCIAL, NON-CURLING club membership allowing you to practice on Sunday's and join in other social events at the club. We have a wide variety of experience in this league. Newcomers are welcome to come out to the Sunday Learn to Curl.

The season is 16-weeks, 8 before Christmas and 8 after. This year we are limiting the league to eight teams, with a single draw at 7pm, so that there are no byes. Teams may have more than four players and they can be rotated in and out throughout each game. Teams registered with four players may have additional players added at the discretion of the convenor.

Players can be entered as teams by businesses or groups of friends. Individual players also welcome.

- \$880/team of four players, (\$220/person) HST included.
- Additional or individual players at \$220/person will be assigned to one of the eight teams by the convenor.
